

idioms

An idiom is an expression that cannot be understood literally. Even when a person knows the meaning of all the words and understands the grammar, the overall meaning of the idiom may be unclear. When students gain an understanding of American idioms, and the facility to use them, they are truly a part of the American English speech community. This may be one reason why so many students are interested in learning idioms.

Some idioms are so widely used that they are clichés—so commonplace in the spoken language that they are best avoided in writing for fear of suggesting an unoriginal mind! Clichés and proverbs, another form of idiomatic usage, do not vary in form, e.g., “Curiosity killed the cat” not “the dog” and “Too many cooks spoil the broth” not “the meal.” Other idioms may allow for some form of variation, such as “to look (or feel) like death warmed over;” or in the form of taking on modifiers, e.g., “It was (beautiful) music to my ears.”

TEACHING TECHNIQUES. The first two activities in this section can be done in pairs or as a whole class “mingling” activity. If the mingling format is used, the teacher will give each student a piece of paper with a portion of the idiom written upon it. The student’s task is to locate the classmate who has the portion of the sentence which completes the idiom.

The “Fun Time” and “Idiomatic Antonyms” activities should be done in pairs with students identifying the correct idiom and providing a situation and a sentence in which it can be used.

The final activities in this section include (1) idioms that are semantically linked, as expressions relating to sports or food, and (2) idioms derived from specialized vocabulary items that have found their way into current, general American English usage.

Teachers can reproduce the information from these pages for class discussion and then extend the activity in the following ways:

1. Make a list of situations some of which would allow for the use of a designated idiom and others do not. Ask the students to determine whether the idiom applies to the situation or not,

EXAMPLE: Which of the following statements illustrate the idiom “(to) be on target”—to achieve a desired goal; to be correct about something.

A student who answers every question on a test correctly.

ANSWER: She/he is on target.

A basketball player who makes 15% of his shots. ANSWER:

She/he is not on target.

2. Ask the students to work in pairs to identify situations and write sentences in which a particular idiom will apply.
3. Ask the students to personalize an idiom by giving examples of how the idiom applies to their lives.
4. Ask the students to consider whether there are expressions in their native language similar to the idiom in American English. If there are, ask them to describe the situations in which the expressions are used. Have them compare this with the usage of the American idiom.

Talking sports

A number of idioms heard in everyday conversation began as phrases used in sports. The definitions given below show the meanings of these idioms in common parlance.

BASEBALL

have two strikes against one: to be in a position where success is unlikely (in baseball, one is “out” after three strikes)

She couldn't win. She had two strikes against her before she started.

keep your eye on the ball: to remain alert to the events occurring around one (*informal*)

If you want to succeed in this business, you have to keep your eye on the ball.

pinch-hit (for someone): to substitute for someone (in baseball, it refers to a substitute batter) *I won't be able to conduct the meeting. Would you be willing to pinch-hit for me?*

go to bat for someone: to support or help someone; to stand up for or defend someone (*informal*) *He was being treated unfairly until his friends went to bat for him.*

throw someone a curve: to confuse someone by doing something unexpected (in baseball, to pitch a curve to someone)

I had prepared a speech on the subject I thought they wanted, but they threw me a curve; they asked for a different topic.

out in left field: offbeat; unusual and eccentric (*informal*) *He has some pretty strange ideas. That one's really out in left field.*

get to first base: to make a major advance with someone or something (*informal*)

I'd like to close this business deal, but I can't seem to get to first base with it.

touch base (or someone): to talk to someone; to confer with someone (*slang*) *I'll touch base with John on this question and let you know what he thinks.*

SWIMMING

swim against the tide/current: to do the opposite of everyone else; to go against the trend *She probably won't go along with the rest of us on this; she usually swims against the current.*

make a splash: to receive widespread notice or publicity for a remarkable or successful action

He made quite a splash when he entered the business world.

go off the deep end: to become deeply involved (with someone or something) before one is ready; to follow one's emotions into a situation (*informal*) (refers to going into a swimming pool at the deep end—rather than the shallow end—and finding oneself in deep water. Applies especially to falling in love.)

I hope he'll think carefully about making that decision instead of just going off the deep end.

BOXING

pull one's punches: to hold back in one's criticism (usually in the negative) (*slang*) (in boxing, to strike with light blows to enable the other boxer to win)

I didn't pull any punches. I told him just what I thought of him.

beat someone to the punch: to do something before someone else does it.

I was going to write an article on that subject, but someone beat me to the punch.

hit someone below the belt: to do something unfair or unsporting to someone (*informal*) (in boxing, a blow below the belt line is not permitted) *We shouldn't spread that gossip about him; that would be hitting below the belt.*

blow-by-blow account/description: a detailed description (of an event)

She gave us a blow-by-blow account of their argument.

BILLIARDS

behind the eight ball: in a highly disadvantageous or baffling position (*informal*)

I don't know how I'm going to get out of this situation; I'm really behind the eight ball.

TENNIS

the ball's in your court: it's your turn (or responsibility) to take action

I've done my part of this project. Now the ball's in your court.

(2) to fail to carry through on a threat. *Richard had boasted that he would fight anyone who opposed him, but he backed down when he realized he couldn't win.*

American English: A happy marriage

According to an age-old tradition, a bride should wear at her wedding ceremony “something old, something new, something borrowed, and something blue.” We have borrowed this tradition to examine idiomatic usage in American English.

SOMETHING OLD . . .

The following “old” words are Latin abbreviations of Latin words used in English (and some other languages). Except where otherwise indicated, the meaning given is the literal translation of the Latin word or phrase.

A.D. (anno Domini) = in the year of our Lord

A.M. (ante meridiem) = before midday; morning

ca. (circa) = about, approximately

cf. (confer) = compare

e.g. (exempli gratia) = for the sake of example

et al. (et alii) = and others (people)

etc. (et cetera) = and other things; and the rest

ibid. (ibidem) = in the same place (used in writing to indicate further reference to the book, chapter, etc. cited just before)

i.e. (id est) = that is

lb. (libra) = pound

N.B. (nota bene) = note well

op. cit. (opere citato) = in the work cited

P.M. (post meridiem) = after midday; afternoon

P.S. (postscriptum) = written after (something written after the signature line of a letter, or added to a book or article)

[sic] (thus, so) = [thus] (used to show that a quoted passage, often containing some error, is precisely reproduced)

SOMETHING NEW . . .

The following are new words, new combinations, or new usages.

ace: to earn the grade “A” on an examination

Because he studies hard, John aced the exam.

number crunching: the performance of long, complex, often repetitive, mathematical calculations

After some intense number crunching he was able to solve the mathematical problem.

nonstarter: someone or something that is not productive or effective

That project turned out to be a nonstarter.

laid-back: having a relaxed style or character

The summer-school students had a much more laid-back attitude than the full-time students.

gut course: a course or class (as in college) that is easily passed

Bill took several gut courses because he didn't have enough time to study.

anchorman: a broadcaster who introduces reports by other broadcasters and usually reads the news (also anchorperson, anchorwoman, or anchor)

There's a new anchorman on the ABC News program.

SOMETHING BORROWED. . .

The following words have been taken into English from native Alaskan and Australian languages.

igloo (*Esk.*): an Eskimo house usually made of sod, wood, or stone when permanent, or of blocks of snow in the shape of a dome when built for temporary purposes

kayak (*Esk.*): an Eskimo canoe made of a frame covered with skins except for a small opening in the center, and propelled by a double-bladed paddle.

parka (*Aleut from Russia*): a hooded fur pullover garment for arctic wear (now, any hooded jacket to protect from cold and wind)

mukluk (*Esk.*): a sealskin or reindeer-skin boot worn by Eskimos

boomerang (*native Australian*): a bent or angular throwing club designed so that it soars or curves in flight so as to return near the thrower

kangaroo (*Australian*): any of various herbivorous leaping marsupial mammals of Australia, New Guinea, and adjacent islands

koala (*Australian*): an Australian arboreal marsupial about two feet long that has large hairy ears, gray fur, and sharp claws

wallaby (*native Australian*): any of various small or medium-sized, usually brightly colored, kangaroos

SOMETHING BLUE . . .

The following are a few of the many English idioms that contain the word “blue.”

feeling blue: feeling low in spirits, melancholy

the blues: a song, often of lamentation, characterized by 12-bar phrases, 3-line stanzas in which the words of the second line repeat those of the first, and continual occurrence of blue or sad notes in melody and harmony

until one is blue in the face: to do (or deal with) something or someone for an exasperatingly long time, usually to no avail

black and blue: darkly discolored from blood effused by bruising

blue law: a statute regulating work, commerce, and amusements on Sundays

blue jeans: pants made of blue denim

blueprint: a photographic print in white on a blue background used especially for copying maps, mechanical drawings, and architects' plans

once in a blue moon: very rarely

O.K. O.K. O.K. O.K. O.K. O.K. O.K. O.K. O.K. O.K. O.K. O.K. O.K.

More than 30 years ago Bergen and Cornelia Evans, in their book *A Dictionary of Contemporary American Usage* (Random House 1957), said of the word *O.K.*:

“Originating in the United States, *O.K.* has spread to almost every country on earth. There is something about the phrase as a term of assent or agreement that gives it universal appeal. It is probably today the most widely used single term in human speech ... used a billion times a day in informal speech and business notes and letters.”

Whence comes this word that has become, even much more during the past 30 years, a universal term for assent or approval?

Its origins are not certain. The most widely accepted explanation is that it was the name of a partisan political organization, the “*O.K. Club*,” formed in 1840 to support the candidacy of Martin Van Buren, the eighth president of the United States, in his try for a second term in office. The letters *O.K.* stood for Old Kinderhook, the small town in New York State where Van Buren was born.

Another possible origin of *O.K.* may be found in the initial letters of a humorous spelling (in vogue in the late 1830s) of the phrase “all correct”—that is, *oll korrekt*. It is, in fact, quite possible that its widespread use in popular speech arose as a result of the combination of these two early uses, both fostering the signification of “good” or “favorable.”

Some linguists have thought that *O.K.* is from the Choctaw Indian word *okeh*, meaning “it is so.” It has even been explained as the initials of Obadiah

Kelly, a mythical railroad clerk who put his initials on all the packages he accepted as shipment.

Whatever its origin, the use of *O.K.* as an informal expression for something good persisted and spread, first in the United States and then abroad. This rapid spread may be at least partly attributable to the invention of the telegraph in 1844 and the comparative ease of tapping out the Morse Code equivalent of *O.K.* in place of the considerably longer *all right*.

The most usual spelling is the one we have used above: *O.K.* Other spellings are *OK* and *okay* (earlier *okeh* was also sometimes used). When employed as a borrowed term in other languages it is often spelled in one of the above ways; however, it is also sometimes incorporated into the spelling or writing systems of the foreign language. Thus we find, among many others, *oké* in Dutch and Indonesian, *O'кей* in Russian, and in Chinese and Japanese, respectively, *O* and *K*.

Like many other English words, *O.K.* can be used as various parts of speech without change of form, always with the meaning of approval or endorsement, or that something is satisfactory, acceptable, or correct. It is used most often as an interjection: *A. You'll do this now, won't you? B. O.K.* As an adjective: *He was hurt pretty badly when he fell, but he's O.K. now* or *That's an O.K. idea; let's do it.* As a noun: *We'll have to get the boss's O.K. on this.* As a verb: *I'll O.K. your proposal if you make the changes I suggested.* As an adverb: *The radio is working O.K. now.*

HAVE YOU EVER HAD ROAD RASH?

Take This Quiz and Find Out!

by Lisa Harshbarger

NASCAR drivers use special vocabulary, such as *pit stop* and *jack man*, to describe key elements of their sport. They're not alone, of course; race car drivers, truck drivers, mechanics and even motorcycle riders use special vocabulary to talk about the ups and downs of their sport or profession with their colleagues.

Can you join in on these conversations? The quiz below will test how "road-savvy" you are! Read each sentence carefully and pick the best answer. Good luck and safe driving!

- I got tired of *sitting in the rocking chair* all the time.
 - Waiting for the traffic light to change
 - Driving between several large trucks
 - Parking a vehicle in a very tight space
- If he were smarter, he wouldn't have all that *road rash*.
 - Cuts and bruises from falling onto the road
 - Damage to the fenders and sides of a car
 - Sunburn from sticking an arm out the window
- She hates to drive in the *granny lane*.
 - Parking lot outside a retirement home
 - Shopping district where people walk
 - Section of road with strict speed limits
- One more *invitation* and I'll take the keys away from you!
 - Broken headlight
 - Speeding ticket
 - Empty gas tank
- I think I need to get me some new *wets*.
 - All-weather tires
 - Windshield wipers
 - Leather car seats
- Look out for that *alligator!*
 - Police car
 - Rough road
 - Piece of tire
- She's never *t-boned* her Harley, as far as I know.
 - Crashed it into a vehicle
 - Broken it down for parts
 - Used it to carry groceries
- There are too many *cash registers* on that road for me.
 - Toll booths
 - Places to gamble
 - Fast food places
- Did he finally *get the green?*
 - Win a prize at the races
 - Buy a lime-colored car
 - See the green flag wave
- That *full tuck and roll job* really ruined the look of the car.

What's that tune?

What is 'Jazz'?

Above is an illustration of a "message magnet" that was distributed by the Office of English Language Programs at the international TESOL conference in Baltimore, Maryland in March.

At the bottom of the page are the four opening measures of a famous song recorded by many famous jazz singers including Ella Fitzgerald, Louis Armstrong, and Nat King Cole. Need some clues? The title is four words. The first word is a southern state that is famous for peaches, peanuts, and a president elected in 1976. The last three words of the title are a slang expression that means thinking about something.

The first 100 readers who send in the correct answer and their postal address will receive a message magnet from the *Forum*. Please send your entries by post, fax, or email to:

Many English dictionaries have more than one definition for the word *jazz*. In addition to the form of music, there are two other meanings of the noun *jazz*, plus the phrasal verb *jazz up* and the adjective *jazzy*.

JAZZ, noun miscellaneous, unspecified things

- "Oh, no!" cried Bill when he opened the picnic basket. "We brought the buns, cheese, pickles, lettuce, onions, mustard, ketchup and all that jazz to make hamburgers, but we forgot to bring the meat!"
- The Scoutmaster warned the young Boy Scouts, "Remember that you will have to carry everything on your back during our camping trip. So bring only the essential equipment and not a bunch of extra jazz that you won't need on the trail."

JAZZ, noun nonsense, silliness, empty talk

- "The curriculum planning meeting was a waste of time," the teacher complained, "because the consultant just talked about tests and a lot of jazz about assessment. She never mentioned anything about course design."
- "You can forget all that jazz they taught you at the university," the old farmer told the young irrigation expert. "Here we just hope for plenty of rain to grow the crops."

JAZZ UP, verb to make more interesting or appealing

- The university rector used a few quotations from Shakespeare to jazz up his speech to the professors and students from the English department.
- For the second edition of the book, the designer jazzed it up by replacing the black-and-white illustrations with colorful photos and creating an attractive new cover.

JAZZY, adjective fancy, elaborate, flamboyant

- The pop star hired a well-known costume designer from Hollywood to create a jazzy new wardrobe for her upcoming concert tour.
- The software company had the jazziest booth at the conference. While the book publishers were giving away free pens and catalogs, the software company was handing out free CDs, hats, calendars, and note pads.
