

# FAUX PAW PLEDGE

I \_\_\_\_\_  
understand that writing unkind words can hurt others. Even if I am angry, I choose NOT to write and send rude online messages. If I see unkind words being sent, I will not forward them.

You don't want to be a cyberbully like that bulldog, "Happy Fluffy Kitty Face." I found out words can hurt. You also don't want to forward unkind messages that others may write. If you want to stop cyberbullying, sign this pledge!
