

# Cast of Villains

**BAC** – The lovable kingpin of all bacteria, BAC is everywhere and has millions of germs, infections and diseases at his disposal.

**E. Coli** – The notorious king of all bacteria, “Big E” will make your tummy shake, rattle and roll.

**Sal Monella** – A contagious cowboy who rustles up trouble with his slimy stampedes.

**Shigella** – A diseased diva who tours hand to hand playing contagious concerts.

**Campy Lobactor** – A washed up “BAC act” that is better left washed away. His routine is no laughing matter.

**Influenza Enzo** – Simply put, he makes kids a fever they can't refuse.
